# SATISFACTION GUARANTEED

The Atlantic 125 is easy to ride and 100% reliable. In both the 125 cc versions, engine performance is generous, fluid and, in harmony with Euro 2 pollution abatement standards, combines maximum environmental friendliness with maximum savings in consumption. The high rigidity frame, large 13" wheels, suspension and integral braking system with front and rear disk brakes guarantee safety at levels typical of higher classes. The Atlantic 125 frees you from worry and surrounds you with attention.

THE 13" WHEELS GUARANTEE GREAT ROAD HOLDING, STABILITY AND SAFETY IN ALL RIDING CONDITIONS.

# PERFECT COMFORT

---

Aprilia's experience can be recognised and, above all, felt in the Atlantic 125's distinctive and refined ergonomics. The saddle is lower and has a comfortable back support enabling you to put your feet to the ground immediately when stopping suddenly. The riding position is comfortable, with the legs extended and protected by the front fairing. Together with ergonomics and comfort, the Atlantic 125 also offers the protection of a large aerodynamic standard windshield to guarantee maximum comfort all year round.

# A GREAT PERSONALITY

---

With its rich standard equipment and finishes, the Atlantic 125 expresses a higher class in its design as well – a unique blend of function, aerodynamics and elegance with that added and unmistakable touch of sportiness typical of Aprilia. The powerful front light assembly with its two separate headlights and double rear light are perfect to take on aggressive rush hour traffic. The Atlantic 125 is the most intelligent and advantageous way of getting about town.
